Reflections of Life

Irene Wells-Kelly was born February 24, 1937 to Perneila & Precilla Wells in Bolton, Mississippi. She was one of six children born to that union.

Irene relocated to San Francisco, California in the late 1950's where she was gainfully employed in the Health Care Industry.

She united with St. Andrew Missionary Baptist Church in 1960, she was an active member of the Nurses Guild and was the oldest Mother of the church.

Irene remained a faithful member until the Lord called her home. She loved her Bishop, Pastors and Church family and would often invite others to fellowship with her.

She enjoyed family outings and family functions as she was always the life of the party. She especially loved going to the Senior Center to fellowship with her friends.

Irene was a Woman of Style and Fashion and loved to dress!

Irene affectionally known as "Honey", "Tee" and "Momma Kelly" was loved by everyone, especially all of her adopted children from the neighborhood and church.

She leaves to cherish her memories her grandchildren; Thermond Wells Jr, Bradley Wells and Zoey Hunter. Mother of her grandchildren Iris Burleson, one brother: Ardell Wells of Jackson Mississippi, Great Grandchildren; Thermond Wells III, Chole Wells and Lalonie Williams. A host of relatives and friends.

She was preceded in death by her two sons Cleotis (Mane) Wells & Thermond Wells Sr., her Parents and Sisters.

Irene will forever be remembered for her bubbly personality and infectious smile.

Afterglow

*I'd like the memory of me to be a happy one.
I'd like to leave an after glow of smiles when life is done.
I'd like to leave an echo whispering softly down the ways,
Of happy times and laughing times
And bright and sunny days.
I'd like the tears of those who grieve,
To dry before the sun
Of happy memories that I leave
When life is done*
